EXAMPLE TEACHER'S INFORMATION PACKET

Hello! My name is [Coach Name] and I am the head coach of the Upper Cape Spartans [Grade Level] Team. We are an American Youth Football organization serving Upper Cape. Your student, _____ plays for our team. The Upper Cape Spartans places a great emphasis on the academic success of our players and our approach to academics plays a big role in our program. The Spartans, as well as American Youth Football offer academic rewards for players who excel in the classroom. Players who receive "Straight A's" through the ***scholastic quarter*** in which they play football for us will be inducted into the "Upper Cape Spartans Academic Hall of Fame." They will be presented with a Shield Plaque with their name engraved on it at our end-of-season-banquet. They will also receive a framed, color certificate with their name on it. We would like to present this certificate to them at their school, in your classroom with their parents and classmates in attendance. Players who receive A's and B's will receive a framed Academic Honors certificate. This certificate will also be presented to them at our end-of season banquet. In addition, AYF also offers academic recognition for superior scholastic performance. The AYF awards students who have a 96% grade point average, or better for the entire school year. The criteria for this award involves not only the grade point average, but also additional scholastic achievements (Honor Roll, Honor Society, Gifted or AP Courses, school awards, etc.) and other activities. Activities such as student government, publications, school clubs, band, as well as Boy Scouts and service clubs are also taken into consideration for "Academic Achievement Alliance" status. Players who achieve this honor will receive a congratulatory letter from AYF a Certificate of Achievement and will also qualify for regional and national scholarships. Please make your student aware of these opportunities and encourage them to volunteer for extracurricular activities. At the close of each practice, our players share with the team any schoolwork in which they've received high grades. We call this session "Good News." In this competitive environment, our players are always looking to top each other's' scores, so I'm hopeful that you'll provide them with extra-credit opportunities so that they can achieve the highest scores possible. We have very high expectations of our players in regards to not only their academics, but their deportment, as well. Our players are made aware that leadership, proper behavior and classroom etiquette are demands that we make of them. I am available for you and am glad to make a classroom visit, if need be. If I can be of any service to you in regards to our players, please do not hesitate to let me know. My contact information is below.

Thank you!

Sincerely,
[Coach Name]
